Hospitality House of Tulsa ~ Where **Hope** has a **Home**.

Meals of Love

Double the space = Double the mouths to feed!

With the expansion of our new facility, which will DOUBLE our space for families in medical crisis, we are expanding our Meals of Love program to feed DOUBLE the amount of families each night!

The Meals of Love program is a great way to get involved with our mission to provide a "home away from home" for families caring for loved ones in medical crisis. After all, nothing says "home" better than a home-cooked meal prepared by people who truly care. Apart from the love and support these families feel by receiving the meals, there is also a great financial burden taken off these families during their struggle by having meals provided. Meals may be either dropped off at the Welcome Center and delivered to the families' apartments, or served family-style in the Welcome Center where guests are invited down to share in

Day Room Training

Are you caring...compassionate...a good listener?

Be a Hospitality House Day Room Host in our new facility!

Hospitality House of Tulsa is now recruiting caring, compassionate volunteers to represent our mission as Day Room Hosts!

Due to the large number of families on our waiting list every night (15 per night on average), we will be opening a Day Room in our new facility, which will serve the families on the waiting list that cannot immediately get into a suite. Families, the majority of whom are sleeping in waiting rooms or cars before checking into Hospitality House, can come to the Day Room for a shower, a nap, a meal, prayer support, children's activities, or to do laundry.

Our Day Room will be completely staffed by VOLUNTEERS, who will perform duties such as assisting families with needs, taking referrals from hospitals, managing the Day Room schedule, assisting housekeeping in turning around the Day Room for the next family, and most of all...providing the listening ear and comforting presence that these families need during their difficult struggles. Shifts vary throughout the week/ weekend and are flexible depending on volunteers' schedules.
